

Battlefield2 Special Forces EXP Pack

2006-01-28 20:19:45 by BigGreen

In Battlefield 2: Special Forces, players will choose to fight as one of 6 different Special Forces soldiers - Navy SEALs, British SAS, Russian Spetznas, MEC Special Forces, Rebel groups and insurgents. Armed with the latest special forces weaponry, players can take control of any of the game's 10 new vehicles to engage in major conflicts with up to 64 players. Additionally, persistent character growth allows players to continue to rise through the ranks.

[Take2 Review and Screenshots](#)

[BF2:Special Forces Website](#)**Features:**

-6 new forces - Navy Seals, British SAS, Russian Spetznas, MEC Special Forces, Rebel groups and Insurgents, each with their own unique arsenal and tactics

-10 new vehicles, including the Desert Raider, Combat ATV, and Apache Longbow

-Special forces weapons and gadgets including zip line, grappling hook, tear gas, and flash bang grenades

-Dynamic Lighting and Low Light Vision bring stealth and tactics to the battlefield, allowing players to hide in the dark or spot enemies with night vision goggles

-Generalized Triggering System used to control key elements of the environment

-Online multiplayer action with 64 players on the PC

-Join a squad or select Commander Mode with the new night vision filter to assume the strategic role of a battlefield commander directing his forces.

-Character Persistence and Growth. With in-game success, players can attain additional ranks and unlock new awards

-Full in-game community support

-Voice-over IP supported with USB headset
